### Abstract

In the previous issue of *Sociologica*, 13(1), 2019, we published a provocative essay by Philippe Schmitter, "Vices and Virtues of 'Populisms'." As part of our commitment to sociological debate, we invited comments by five leading scholars in the field.

In the previous issue of *Sociologica*, 13(1), 2019, we published a provocative essay by Philippe Schmitter, "Vices and Virtues of 'Populisms'."<sup>1</sup> As part of our commitment to sociological debate, we invited comments by five leading scholars in the field. We are grateful to all of the contributors to this lively exchange and to Riccardo Emilio Chesta for coordinating this special feature.
